Resolution.—Recorded.

II. Read Government Proceedings No. R. 3298-322—L. R. 508-09-2, dated 18th November 1910, laying down rules for the grant of lands overgrown with lantana or prickly-pear for cultivation and of remission of assessment to occupants of such lands.

Resolution.—Recorded.

III. Read Government Proceedings No. 5802-12—San. 6-10, dated 9th January 1911, communicating that His Majesty's Government have consented to the imposition by the Turkish Government of a tax of 10 piastras on pilgrims to provide for the sanitation of the Hedjaz for a period of five years on certain conditions.

Resolution.—Recorded.

IV. Read Government Proceedings No. 6055—L. B. 210-101-2, dated 18th January 1911, condoning the absence of W. L. Crawford, a member of the Hassan District Board, from three consecutive meetings of the Board.

Resolution.—Recorded.

V. Read the budget estimates of the Hassan District Board for 1911-12 and the memo explaining the items therein framed by the Finance Committee.

Resolution.—Resolved that the budget estimates for 1911-12 be passed and sent up to Government for sanction.

Further resolved that as the 1st class musafirkhana at Hassan has been completed and opened to the public, pending sanction of Government (which may be applied for at once) pay of a care-taker on Rs 6 and a sweeper on Rs. 4 per mensem be provided in the budget for 1911-12.

VI. Read docket No. 4759—L. F. 493-4, dated 13th February 1911, from the Comptroller in Mysore, declining to audit the pay bills of the Harnahalli Vaidyasala establishment for November and December 1909 and January 1910 on the ground that the privilege leave granted to the Hakim is inadmissible.

Resolution.—Resolved that this Board are of opinion that as the Hakim was appointed in 1905 (*vide* District Board Resolution No. VIII, dated 3rd April 1905) and as his appointment was finally confirmed on the strength of Government Proceedings No. 11782-4—L. B 444-08-2, dated 13th June 1907, the subsequent Proceedings of Government No. 2617-26—L. B. 389-07-2, dated 12th September 1908, cannot be said to be applicable to him, and that a special reference be made to Government in the matter.

VII. Read docket No. 3687, dated 8th February 1911, from the Sanitary Commissioner in Mysore, requesting that the sweepers at Banawar Union in the Arsikere Taluk may be supplied with brooms.

Resolution.—Resolved that the present practice of sweepers providing their own brooms may continue as it has worked satisfactorily.

VIII. Read Executive Engineer's letter No. 70, dated 25th—26th January 1911, requesting that a sum of Rs. 5,017 out of Rs 5,900 sanctioned in the current year's District Fund budgets on account of contribution for dispensaries, may be placed at the disposal of the Public Works Department.

Resolution.—Resolved that it should be pointed out to the Executive Engineer that a total provision of Rs. 5,700 only is available in the sanctioned budget for 1910-11, under "IX. Contributions, (4) (5) and (8)" and not Rs. 5,900 as stated in the Executive Engineer's letter No. 70, dated 25th January 1911. There being an excess provision of Rs 821 (*viz.*, Rs. 4,350-3,529) relating to the construction of buildings for the Local Fund Dispensary at Saklespur, and as the Executive Engineer brings to notice that the estimates of cost of constructing Hospital Assistant's quarters at Hanbal and Arehalli amount to Rs. 942 thus exceeding the budget provision of Rs. 900 by Rs. 42 and that the total amount of District Fund quota towards repairs of Local Fund Dispensaries amounts to Rs. 546 against the budget provision of Rs. 450, an extra amount of Rs. 96 is required.

Hence resolved that the excess amounts of Rs. 42 and Rs. 96, *viz.*, Rs. 138 in all be met out of the excess budget provision of Rs. 821, thus still leaving an available balance of Rs. 683 under the above mentioned three minor heads under the major head "IX. Contributions."

IX. Read Executive Engineer's docket No. 71, dated 25th—26th January 1911, suggesting that the cost of the special repairs carried out to Channarayapatna-Sravanabelagola road in connection with the tour of His Excellency the Governor of Madras, may be met out of the balance of Rs. 800 available under "C. IX Contributions" after payment of Rs. 5,017 on account of contribution for dispensaries.

Resolution.—Resolved, in modification of this Board's Resolution No. III passed at the meeting held on the 5th December 1910, that (owing to the provision mentioned therein being required for providing a new platform to the ferry boat at Gorur)

Rs. 584 being the cost of special repairs to the Channarayapatna-Sravanabelagola road be met out of Rs. 683 being the balance (mentioned in Subject No VIII above) still available under "IX. Contributions (3)" in the District Fund Budget for 1910-11, and that Government sanction be obtained through the Comptroller to this reappropriation.

X. Read Executive Engineer's docket No. 105, dated 14th—15th February 1911, forwarding for countersignature and return, a modified estimate for Rs. 150 for repairing the Local Fund Dispensary at Channarayapatna.

Resolution.—Resolved that the estimate for Rs. 150 be countersigned and returned to the Executive Engineer, the District Fund contribution of Rs. 50 being met out of "IX. Contributions, (5) Repairs to Local Fund Dispensaries."

(*b*) Read also correspondence ending with Hassan Taluk Amildar's report No. 545 dated 27th December 1910, stating that the ferry boat at Gorur is in urgent need of repairs.

Resolution.—Resolved that for want of sufficient provision in the budget, the supply of a new dug-out boat may be deferred until next year, and that a new platform only be supplied this year at a cost of Rs. 336 to be met out of the remaining provision under "A.—P. W., I. Original Works" in the District Fund Budget for 1910-11.

XII. Read Executive Engineer's docket No. 985, dated 29th—30th December 1910, forwarding for countersignature and return, an estimate amounting to Rs. 82 for repairing the platform boat at Gunny Ferry.

Resolution.—Resolved that this estimate be deferred for want of funds since the Executive Engineer now states that the repairs are not urgent and may be deferred until next year.

XIII. Read Executive Engineer's memo No. 59, dated 24th—25th January 1911, forwarding a copy of his letter No. 48, dated 24th—25th January 1911, addressed to the Superintending Engineer, Northern Circle, proposing that the Bisle Ghat portion of the Sukravarsante-Subramannya road, *viz.*, the last 19, miles may be included for maintenance out of Provincial Funds, and stating that after this proposal is sanctioned, definite proposals for increasing the grants to other District Fund Boards will be submitted.

Resolution—Resolved that this Board are of opinion that it is most necessary that the cost of up-keep of this portion (*viz.*, 19 miles) of the Sukravarsante-Subramannya road, should be transferred to Provincial Funds so as to enable better provision to be made for certain District Fund roads which are now in very bad order.

XIV. (*a*) Read Resolution No. X, dated 5th December 1910, resolving that the question of metalling the Channarayapatna-Sravanabelagola road may be taken up after receipt of the proposal of the Executive Engineer for taking over the cost of up-keep of a portion of a certain District Fund road to the Provincial Budget.

Resolution.—Resolved that the result of the Executive Engineer's reference to the Superintending Engineer, referred to in Subject No. XIII above, has to be awaited.

XV. (*a*) Read docket No. 64—Mis. dated 6th—8th January 1911, from the Assistant Commissioner, Channarayapatna Sub-Division, re-submitting the estimate for Rs. 75 for repairing the 3rd class travellers' bungalow at Nuggihalli in Channarayapatna Taluk and stating that repairs to the building are very necessary and urgently required.

(*b*) Read also Subject No. XIII of District Board meeting dated 30th and 31st May 1910.

Resolution.—Resolved that the estimate for Rs. 75 may be countersigned and returned to the Executive Engineer for execution, this small cost being met out of general savings among funds placed at the Executive Engineer's disposal.

XVI. Read this office yadi No. 2343, dated 5th—6th February 1911, sanctioning the execution of repairs to the chattram building at Gandasi at a cost of Rs. 100 appropriating the amount for this purpose out of Rs. 200 sanctioned in the current year's District Fund Budget under "X. Miscellaneous, Cattle Shows," as the building had to be made fit for occupation by His Holiness the Jagadguru of Sringeri during his tour through a portion of this district.

Resolution.—Resolved that the action of the President, which was necessary under the urgent circumstances, be approved, and that a reappropriation statement be sent up through the Comptroller for Government sanction.

XVII. Read Manjarabad Taluk Amildar's report No. 291—L. F., dated 16th February 1911, forwarding for sanction and return an estimate for Rs. 60 for repairing the musafirkhana at Saklespur.
